the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 12.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office for National Statistics 2000).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's services. The strategy is based on the following principles: older people should be able to live independently in their own homes; older people should be able to participate in the community; and older people should be able to access the services they need.

The strategy also sets out a number of key objectives for the future of older people's services. These include: to improve the quality of life of older people; to reduce the number of older people who are in care homes; to increase the number of older people who are employed; and to increase the number of older people who are active in the community.

The strategy is a key document for the development of older people's services in the UK. It sets out a clear vision for the future of older people's services and provides a framework for the development of policies and practices to achieve this vision.

CROSSROAD: A road that crosses a main road or runs cross-country between main roads; the place of intersection of two or more roads; a small community located at such a crossroads; a central meeting place; a crucial point where a decision must be made.

As you have read, the word "Crossroad" or its plural form of "Crossroads" has several meanings according to Webster's Seventh New Collegiate Dictionary. The 1982 Top Hat took the word "Crossroads" and applied the term in a philosophical sense to the

different aspects of student life at 169th and Grand Avenue, Hammond, Indiana.

As a freshman, Morton High School will serve as a crossroad to take the middle school adolescent to a high school teenager. Somewhere along the road, the children become young adults. Sophomore year seems to act as a roadside resting place on the crossroads of life in high school. A sophomore is neither a "little" freshman nor a "big" senior.

In September of a person's junior year, the student can begin to see his way through the "crossroads" of high school. He has only one more year to go and that year is when he is finally the "King of the Hill."

Curves Ahead

The first eight months of a student's senior year are rather joyous as the student celebrates his academic achievements and all the social advantages of being 18 — experiences that become reality — not just childhood dreams. Now, the ninth month comes — it's May — and the student sees the crossroads that graduation presents as a rather frightening dilemma.

For the past 18 years, all of one's life at this point, the student has been told what to do, how to do it, when to do it, where to do it, but rarely told why.

School Crossing

All of the decisions of everyday life have been made by a superior — the student just had to follow.

Suddenly, with graduation, all that has changed. The teen-ager now must make decisions on his own. Granted, that can be a welcomed treat, but the "crossroads" — which avenue to take — can be THAT

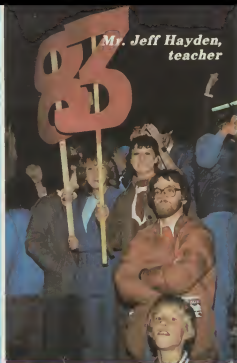

frightening dilemma.

The 1982 TOP HAT chose "Crossroads" as the theme to show the different avenues in high school life. As hindsight is better than foresight, it is hoped that a look back at 1981-82 will give each student the experience needed to make a proper decision as he reaches his own "CROSSROADS".

Bukowski Receives Title

The night of September 18, 1981 brought a moment of joy into the life of Shelley Bukowski that she will not forget for some time to come. On that night, at halftime of the Morton and East Chicago Washington football game, Shelley was crowned the 1981-82 Morton High School Homecoming Queen.

Shelley stated, "I have had a lot of fun in school activities, but I enjoyed Homecoming the most. I want to thank the

people who helped me get Homecoming Queen. It was the most memorable event and I feel very honored."

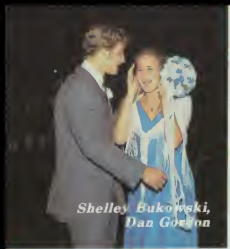

During her high school career, Shelley was rather active. She participated in cheerleading her freshman and sophomore years and played in Powder Puff her junior year. She also was a statistician for the baseball team her junior year, and a member of the Booster Club all four years.

The 1981-82 Homecoming Court consisted of Lisa Ecsi, Nancy Magurnay, Donna Niemiec, Debbie Tatum, and Lori Woodward escorted by Nick Companiott, Tom Sandlin, Nick Paunovich, Ron Palucki, and Scott Lelito respectively. Dan Gordon escorted Shelley.

Another story on the festivities that lead to that special "crossroad" of Homecoming is on Page 13 of this book.

Strange Get-Ups

The 1981 Homecoming was a little different from the past in that Homecoming had a certain theme. "Hollywood Night" was carried out in float decorations, the half-time festivities at the gym, and during Spirit Week.

Several Merton students dressed in their finest cowboy attire for "Urban Cowboy Day" which was the Monday before Homecoming. On Tuesday many students slicked back their hair and dressed in tee-shirts, faded jeans, letterman sweaters and poodle skirts for "Grease Day."

All of the ghosts, goblins and gobs came out of the woodwork at Merton on Wednesday as the students carried out the idea of "Halloween Day." On Thursday the school was filled with students dressed in black hats, sunglasses, white shirts, black ties and black suits as the school celebrated "Blacks Brothers Day." Friday, the day of Homecoming, was the traditional "Red and Grey Day."

In addition to the dress-up days, there was a pep rally and parade. The theme was carried out by the seniors, juniors, and sophomores in their floats of "The Beach Bunchies" and "May the Force Be with You" respectively.

The seniors took out the Spirit Stick and first place in the float competition.

Couples Enjoy

The annual Junior-Senior Prom was at Wicker Park Social Center, on April 24, 1981.

"Moonlight and Roses" was chosen from the many ideas that were suggested by juniors for the Prom theme.

The theme was carried out by the use of paper roses on the tables and a scene with the moon on the background for the pictures. There was also an archway intertwined with roses as the couples walked into the room.

The Junior Class raised the money for the Prom by selling candy, candles, Christmas ornaments, and little stuffed animals.

The Class also had a number of car washes during the summer.

The Prom, as usual, was the climax to the school year and the experience will be looked upon by those who attended as "that special night". The events that took place on that evening will stick in the back of one's mind where memories will be drawn upon for years to come.

Graduation Day Brings On "End"

On June 7, 1981, Oliver P. Morton Senior High School graduated 344 students, which on that day became the official "Class of 1981".

Graduation Day marked an end for each student in the Class of 1981 to what was so much of each student's life. The classes, homework, grades, and the teachers, administrators, and parents pushing education came to an abrupt halt.

What some students consider as "the good times" — friendship, dates, parties, dances, going to athletic events — also came to an end.

Many students took the time to reflect and say good-bye and good luck. Some students seem to concentrate on "What do I do now?" since the end of high school also signals a new beginning.

The ceremonies on that day did not vary much from any other ceremony of the past, except for one most important fact — for the 344 students, June 7, 1981, is one day that will be remembered forever.

Students win special award

This year several Morton students achieved awards in their various sports as they were named to the All-Conference teams or received Honorable Mentions in their respective sports. All-Conference included: Tony Vermajan, baseball; Tom Gatlin, baseball; Sherry Volkman, Cross Country; Sue Vermajan, volleyball; Marenis Kansfield, football; Mike Kielbasa, football; and John Gordish, football. Vince Soto, tennis; Tim Salach, cross country; Kelly Hladek, volleyball; Mark Wilson, football; Craig Davis, football; and Bob Gatlin, football; received Honorable Mentions.

This year's Timothy Ball Chapter Daughters of the American Revolution Good Citizen's Award (D.A.R.) went to senior Nancy Magurany.

This annual award goes to outstanding seniors who have shown the qualities of dependability, leadership, and patriotism while in high school. Past D.A.R. winners include Priscilla Purnick, Susan Vrahoretis, and Jewel Barron.

Pam Boilek and Mary Egan were National Merit Finalists. Sharon Jadrnak, Laura Buhring, and Doreen Cummins received Honorable Mentions.

Morton presents "Children's" play

The Morton drama department presented the children's play "The Merry Pranks of Tyll" during the last week of March and on April 1.

The play, directed by Mr. Stanley Elgas, centered around the playful Tyll, played by freshman John Ashby, who eludes his parents and gains admittance to the King's palace by way of the kitchen. He won the friendship of Mrs. Bigaroud, the cook, played by Julie Kopanda. Tyll confounded the wisemen and charmed the King, played by sophomore Chris Zawadzki, and Queen, Laura Marosi. Tyll placed the wisemen in jeopardy by exposing all of their pretensions through his playful branks.

Fearful of Tyll's rising power, the wisemen devised a plan to dispose of Tyll. But, the wily Tyll escapes their clutches and lives to taunt the King and Queen into recognition of their own faults.

Other cast members included Todd Hillbrich, as Clas, Tyll's father; Susan Adkins as Setkin, Tyll's mother; Renee Falk as a kitchen girl; Tim Tsoucos as Schnahel, the Prime Minister; Andy Ryann as the old sage; and Mark Mikula as the astrologer.

Drake Ashby played the Alchemist, Sam Polito was the magician, Michelle Bartoszek played the part of Fran Grouch, Kevin Zarembo played Skinflint, Dennis Hefflin was Normwood, Rich McAfee was Barhsmell, Tracy Hall was lady-in-waiting, Carl Porter and Jim Kelly were the guards, and Jim Michelin was the trumpeter.

Schools that attended Morton's annual childrens play performances were from Hobart, Portage, Morrillville, Highland, Gary, and Dyer.

MHS presents Golden River

In their first production of the year the Morton High School Top Hat Theater presented "Golden River" on November 12 and 13, 1981.

Golden River is a western musical that consists of ten main characters and eight square dancers, and takes place at the Walsh Ranch. The play is based on the results a man receives from an advertisement he has placed in a local newspaper. The advertisement, which offers a two-week free vacation, states that the Walsh Ranch is for sale. The problem is that the ranch is owned by the man's parents who are unaware of what their son has done.

The fun begins when the guests arrive. Finally, when one of the guests asks about buying the ranch, the truth about the advertisement comes out.

Students attend summer institutes

While most students spent their summer just bumming around and vacationing, others went to various institutes and camps around the country.

Ron Palucki, Scott Lelito, Nick Companiott, and Nick Paunovich were chosen to attend Boy's State at Indiana State University in Terre Haute.

Just one day after Boy's State ended Girl's State began. Sharon Jadrnak and Nancy Magurany were this year's representatives at Indiana State University.

Sharon Jadrnak, Lisa Ecsi, Diane Fross, and Tim Salach went to Indiana University in Bloomington for a two-week Journalism Institute.

St. Mary of the Woods College in Notre Dame, Indiana held a Yearbook Institute which Patty Axtman and Tom Sandlin attended.

Five of the band members

went to two different colleges for band institutes. Chris Kansfield and Rob Gerka went to Smith-Wallbridge in Syracuse, Indiana. Drum Majorettes Darla Price and Diane Fross, along with Drum Major Garry Graban, participated in a Marching Auxiliaries Clinic in Ashland, Ohio.

The entire Varsity Cheerleading Squad, Lori Woodward, Jane Ostoich, Karen Lynk, Shelley Fritz, Sue Schallenkamp, Cindy Batliner, and Angie Keutzer, went to cheerleading camp at Hope College in Holland, Michigan. While three members of the B-team squad, Robin Szczudlak, Ann Thomas, and Debbie Palucki, went to the University of Wisconsin for cheerleading camp.

Three of the debaters went to three different debate institutes. Tim Salach went to Baylor University in

Texas, John Holland went to a CDE Workshop in St. Louis, Missouri, and John Barbara went to Georgetown University, Washington, D.C.

In all fifteen students attended a variety of sports camps during the summer of 1981. Kelly Hladek, Renee Hladek, Barb Oros, Jackie Sufak, and Sharon Weis went to Sports Camps International Volleyball Camp. Doreen Bednar, Sue Gonzalez, Ami Sherer, Joy Vandiver, and Kelly Stevens attended Purdue Calumet to improve their volleyball skills. These five and Sandy Bonomo also went to Purdue Calumet to refine their basketball skills. Chris Spudic and Chris Maloney also attended Basketball Camp's. Marenis Kansfield went to Notre Dame for football camp and Bob Golec went to the Purdue Calumet summer football camp.

Violence Tops AP List

The following article was written by Associated Press Newsfeatures Writer Dave Goldberg, and appeared in *The Times* on January 3, 1982. Top Hat would like to thank *The Times* and the Associated Press in Chicago for their cooperation in Top Hat's publishing the article below.

The yearbook staff would also like to thank Tim Salach, Mortomite Columnist, for his article "Music in 1981."

It is hoped that news events on the following four pages will be read upon in future years as a remembrance of the past compared to the present and future.

In a year in which the biggest news came from the barrel of assassins' guns, the attempt on President Reagan's life has been voted the top story of 1981 by Associated Press editors and broadcasters. Reagan, his press secretary James Brady, and two other men were

the American hostages after 444 days of captivity in Iran.

Third and fourth were two other stories of violence against world leaders: the assassination of Egyptian President Anwar Sadat and the shooting of Pope John Paul II by a Turkish terrorist.

The Top 10:

1. The attempt on Reagan.
2. The return of the hostages.
3. The Sadat assassination.
4. The attempt on the Pope.
5. The new conservative administration in Washington. Reagan gets his way with a Republican Senate and a reduced Democratic margin in the House.
6. The American economy; the budget and tax cuts of Reaganomics; high interest rates and recession.
7. The flights of the space shuttle Columbia.
8. The air traffic controllers' strike and their dismissal by Reagan.
9. The appointment of

10. Developments in Poland.

The runners-up were stories about the wedding in England of Prince Charles and Lady Diana; the deaths of 113 people in the collapse of a walkway over a crowded dance floor at the Hyatt Regency Hotel in Kansas City; the strike that eliminated a third of the baseball season; the arrest of a suspect in the two-year run of deaths and disappearances of blacks in Atlanta; and Israel's bombing of Iraq's nuclear reactor.

The ballots were compiled before the Polish government's declaration of martial law and crackdown on Solidarity. The vote was on the preceding unrest and conflict attending the rise of Solidarity.

Votes were tabulated by awarding 10 points for a first place vote, nine for second, down to one point for tenth place. The vote for first was one of the closest ever — the shooting of Reagan finished with 5,246

At 2:25 p.m. on March 30, the president was leaving the Washington Hilton Hotel after addressing the AFL-CIO Building Trades Council, when six shots were fired at him from close range. Before Reagan was pushed into his limousine by Secret Service agents, he was hit in the side below the left arm. A bullet penetrated Brady's brain and a Washington police officer and a Secret Service man were also hit.

That was so up to the final moments on Jan. 20, 1981, when the hostage release upstaged the inauguration of the new president.

Sadat

On Oct. 6, President Anwar Sadat of Egypt and most of his cabinet were watching Egypt's Armed Forces Day Parade when four men in military uniforms jumped from a jeep and began throwing grenades and firing automatic weapons. Stunned guards seemed frozen as the assassins charged the reviewing stand, killing Sadat and leaving carnage in their wake.

Newcomers Succeed In 1981

By Tim Salach Mortonite Columnist

Music as a rule in this past year was marked by trends which saw the old fading quickly, the new coming on strongly and the middle ground taking a back seat in the entire picture.

Perhaps the most notable exception to this rule was found in Mick Jagger and the boys, also known as The Rolling Stones. For this second decade band from England, 1981 will be a legendary year. The smash success of their latest album "Tattoo You" was matched only by their runaway sold out concert tour. It was a shining year for the Glimmer Twins and company.

While the Moody Blues and REO Speedwagon also found 1981 to be a memorable year, for the most part the news was bad for old

rockers. The future of the Who was in doubt while bassist John Entwistle's solo album enjoyed at best limited success. The Electric Light Orchestra's "Time" LP went practically unnoticed while many of his long time fans tried to forget about Bob Dylan's "Shot of Love" in spite of its noble religious theme.

For the most part, the news was best for the new comers, or relative new comers to the rock scene. Enjoying success for the first time were groups such as Survivor, Quarterflash, and the Go Gos. The airwaves were virtually dominated by their songs "Poor Man's Son", "Harden My Heart", and "Our Lips are Sealed".

Rick Springfield's "Working Class Dog" became one of the year's most highly acclaimed albums, while Triumph's "Allied Forces" established the Canadian trio as one of rock's front runners.

Previously successful groups also left their mark on the world of rock this past year. Leading the charge was Styx' "Paradise Theater", Journey also moved back into the limelight with their album "Escape" featuring the hit single "Don't Stop Believing".

The Police continued to become one of the most successful new wave bands around with the release of the album "Ghost in the Machine" and the song "Every Little Thing". The J. Geils Band also proved it was for real with the release of their second hit album in a row "Freeze Frame" featuring the song everyone seemed to be humming "Centerfold".

Individuals also emerged on the scene as prevalent forces this past year. Billy Squier stepped from his old "Piper" days to release one of the most successful albums of the year, "Don't Say No".

Since November 1979, when Muslim fundamentalist militants

Ozzy Osbourne threw off his "Black Sabbath" cloak to match the popularity as an individual he enjoyed as a member of the band. Stevie Nicks' "Bella Donna" proved that there was life after "Fleetwood Mac" for the sultry lead singer.

Another singer lead singer finding it easy to make it on her own was Deborah Harry, the namesake of "Blondie", with her first solo effort, "Koo Koo".

Had it not been for the exploits of the Plasmatics and Wendy O. Williams, punk rock would probably have been all but forgotten by the average American. As it is, the demented spin off of rock 'n' roll is still clinging to what little life it has left.

The year which just past may be seen as a lull in the evolution of rock or it may be seen as a time of transition, or changing of the guard. Whatever it is, its implications will not

soon be forgotten. Turk who authorities said had connections to right-wing terrorist organizations. Two American women were wounded in the attack.

The 61-year-old Polish-born pontiff was hit in the stomach but was sufficiently recovered within a day to take Communion and listen to mass. He spent three months in and out of hospitals.

Reagan

It was probably the sharpest reversal in the course of government since 1932. Ronald Reagan, a man of

devoutly conservative principles, became president and proceeded to cut taxes, government spending, particularly in social programs, and to beef up the defense budget. The latter was in line with a new hard-line anti-Communist approach to international affairs.

Reagan was supported in his course by a newly Republican Senate and a House nominally in Democratic hands but actually in political disarray.

Top Regional Stories Of 1981

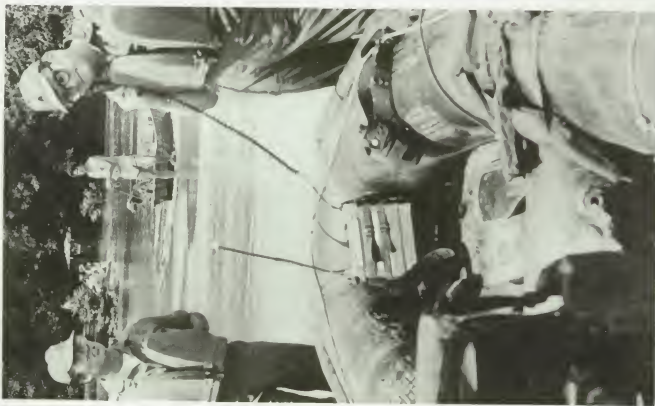

The following article appeared in *The Times* on January 3, 1982. Top Hat would like to thank Bill Chapman, Executive Editor, Cynthia Richards, Times Business-Labor Editor, and *The Times* Staff for their cooperation in Top Hat's publishing the article below.

The Calumet Region of Hammond dried off from a flood, suffered under an ever-softening economy, cleaned up after two major plant explosions, and recovered from the financial troubles of the Regional Transportation Authority last year.

Along with those stories, 1981 brought two sensational murder trials and the murder of a major East Chicago government official.

The long-suffering patients at St. Ann's nursing home were left homeless and Northern Indiana Public Service Co. gave up the Bailey Nuclear battle.

Those were just a few of the stories that significantly affected the

Region during the year, as determined by the editorial staff of *The Times*. Here is a summary of the most significant local news of the last year:

Flood

Probably the biggest story of the year was the June 14 flood—the rainfall and Little Calumet River overflow left as much as 60 inches of water standing and more than \$50 million damages.

Although the water receded in four days, it took months to rebuild the damage, and some homes still haven't been completely repaired.

Economy

The economy has been bad news for the Region throughout the year. Five East Chicago companies have closed their doors, leaving more than 1,000 workers jobless. The closings started in early fall with Energy

Added to those unemployed are the thousands laid off from the Region's steel mills, auto plants, metal fabricating facilities and other manufacturers—creating an unemployment rate significantly higher than the national rate of 8.4 percent.

Many of the Region's jobless were so desperate that when Inland Steel Co. announced it would accept applications in late January, a near-riot ensued as more than 5,000 responded. Six people were injured in the melee—although Inland had no

Chemical

Two chemical plant explosions rocked the Region this year — one in February and the other in November.

The DeSoto Inc. planted in Chicago Heights exploded early Feb. 11. One man died in the blast and 24 others were injured. The Anderson Co. in Gary met a similar fate Nov. 5. One woman died and several others were injured in that early morning explosion.

RTA

The Regional Transportation Authority's financial problems came crashing down on the Calumet Region in June. South Suburban Safeway Inc. of Harvey closed for three days after being unable to purchase gasoline.

Today, the carrier is only operating at about half its service level of a year ago. The RTA raised Safeway fares to 90-cent and fares on the Illinois Central Gulf

commuter train by 33 percent. The ICG was also forced to implement service cuts.

St. Ann's

More than 100 residents of St. Ann's Home in Hammond, many of whom have a long history of mental illness, were thrown out of the nursing home in August in a funding dispute between the state and the homes' owners over how much should be paid for their care.

Their fate is still uncertain, pending a court decision expected in January. The incident highlighted problems with the care of the chronically mentally ill in Indiana.

Judges

Indiana courts, for the first time in history, have two federal judges in the Northern District of Indiana at Hammond, as well as U.S. States Attorney. It is also the first time the men to

occupy those seats were home grown — U.S. Magistrate James T. Moody is a Hobart native.

Sullivan

Merrillville resident Britt Sullivan faces a second trial for the murder of his wife, Sheila. She was 8½ months pregnant when she was beaten and stabbed to death in the family-owned garden shop. Sullivan's first trial, held in Lafayette in October, resulted in a hung jury.

Visnak

On Sept. 17, Daniel Visnak hired two youths, Randall Weidner and James Kubik, to kill the 19-year-old woman in 1979. Visnak received life without parole, Weidner, 19, got 80 years, and Kubik, 18, got 70 years. The victim was raped and suffocated only a few months after her marriage to Visnak.

Given

Former East Chicago attorney Jay Given was shot to death while leaving a city fundraiser. There still are no suspects in the May 15 shooting.

Cooper

Vietnam vet Gary Cooper of Hammond also died by gunfire — in a battle with Hammond police. The unemployed welder was apparently despondent about lack of work. He went berserk and flashed back to his war days, his wife said after the incident.

Hammond police killed him in a hail of bullets during a gun battle at Cooper's home, 6718 Magoun Ave.

NIPSCO

After a decade-long battle, NIPSCO announced Aug. 26 it would scrap plans to build the controversial

jobs to offer and was merely trying to update its employment files.

Bailey Nuclear I in Burns Harbor. Legal and regulatory battles sent the plant's cost skyrocketing — from an original \$187 million to the last estimate of \$1.815 billion. The next battle between NIPSCO and its customers will be over who should pay the \$200 million already spent on the project.

FACULTY AND ACADEMICS

Stavros Becomes Principal

When the 1981-82 school year began, there were some new faces at Morton High School.

Mr. Steve Stavros became the third Morton principal in four years. Mr. Stavros, who was the principal at Scott Middle School for the past ten years, replaced Dr. Timothy Brown.

Mr. John Molner replaced Mr. Joseph Gartner as assistant principal last September. Mr. Molnar was the assistant principal at Edison Middle School from 1978 to 1981. Mr. Gartner replaced Mr. Stavros as principal at Scott Middle.

Three faculty members retired at the end of the 1981 school year. Mr. Maurey Zlotnik, Physical Education and Athletic Director; Mr. Leo Orloff, English; Mrs. Geraldine Hooksma, Home Economics.

New to the faculty were Mrs. Cindy Slabowski in Special Education; Mrs. Sara Katona in Foreign Language; and Dr. Charles Igboegwa in Industrial Arts.

The Athletic Department was a number of changes in 1981-82. Miss Lettie Hicks became the new Athletic Director when Mr. Zlotnik retired. Miss Hicks, who remained as the head Varsity Volleyball Coach, relinquished the head Varsity Basketball position to Miss Sherry Williams. Mr. Nick Luketic retired from coaching in the Spring of 1981. Mr. Luketic, who coached football for 28 years, with the last five years as head coach, was replaced by Mr. George Hall. Mr. Jack Georgas, who remained as head Baseball Coach, resigned as the assistant varsity football coach after Mr. Luketic retired.

English

The English Department offers a wide variety of elective classes for both the college and non-college bound student.

For those students who wish to continue in formal education, he may choose from such electives as World and English Literature to Developmental Reading and Advanced Composition. World Literature involves the study of authors from the Soviet Union to Africa to North and South America. English Literature takes in English authors such as Shakespeare and Chaucer.

Developmental Reading includes extensive study of non-fiction books needed for college and a portion of the class is devoted to help the student extend his reading speed. Advanced Composition gives the student additional experience in grammar, vocabulary, and the writing of compositions.

Electives for the non-college bound student include such classes as Composition Skills and Reading Skills. These types of classes teach the basics in the areas of grammar, vocabulary, reading, and writing.

Foreign Language

The Foreign Language Department offers German, French, and Spanish of which all have a four year sequence of experiences in speaking, reading, writing, and listening to the language.

As part of the extra curricular activities in Spanish, the students learn to cook spanish dishes, have a few fiestas during the year, and the classes try to make a trip to Mexico or Spain every two or three years.

The German classes try to go to Germantown, a section of Chicago, every fall. The students also get a chance to see the Stratford Mountain Boys, who present Austrian, German, and Swiss music and customs. This year the students were able to go to the Museum of Science and Industry to view the Christmas Around the World exhibit. They saw how the trees have adapted from the basic German tree.

The French students put on puppet shows. This year Mr. Bolinger's second hour French class videotaped Snow White and the Seven Dwarfs in French.

Math

The Morton math department offers a wide variety of math classes for students to choose from. The class can be as easy as general math, as difficult as calculus, or almost anywhere in between.

This year a new class was added to the choices of math classes. That class, computer math, had two classes each semester, and all classes had enough students. In computer math, students get a chance to make their own computer programs and then to check those programs on the computers to see if the programs actually work.

Some students choose to take general math, which teaches students the basic mathematical skills for addition, subtraction, multiplication, and division of whole numbers, fractions, and decimal fractions. Others choose to take Algebra or geometry, which help prepare them for college math classes.

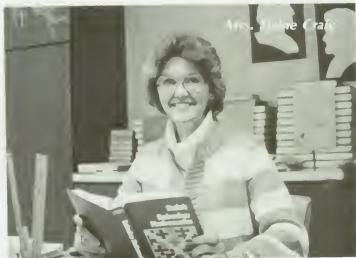

Calculus is the highest degree of mathematics offered by our math department. This class is very helpful to those students who are planning to go into a career that stresses mathematics. Such as the engineering field.

Business

A few changes occurred in the business department this past year. Mr. Don Morreton, a business teacher at Morton for five years, was transferred to Hammond High. Ms. Helen Siukola is now teaching his Typing Three and Clerical Practice classes.

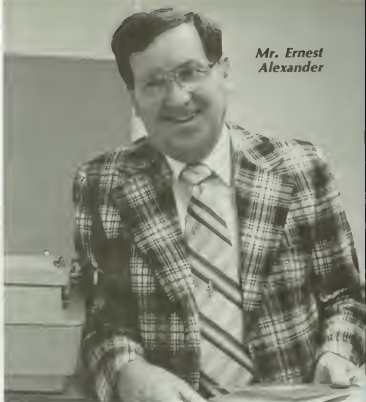

The business department offers a wide variety of classes such as accounting, shorthand, and typing.

In accounting one learns how to manage a businesses finances.

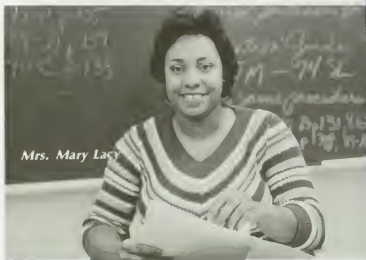

Shorthand offers students a chance to learn a way to take notes faster and to prepare themselves for a secretarial job by learning the different symbols used in shorthand. The students put this newly acquired knowledge to work by taking dictation and transcribing letters.

In typing, the student learns the basic skills of typing and then the students try to increase their typing speeds. Students also learn how to type various types of business letters.

Clerical Practice gives students a chance to learn how to use various machines that are found in many business offices. Some of these machines are the printing calculator, ten-key adding machine, fluid duplicator, and the dictaphone.

Social Studies

The Social Studies Department employed two less teachers this year due to the declining enrollment at Morton. Mr. Rick Evans was transferred to Hammond Tech and Mr. Bob Serafin became a "long term" substitute at Morton.

The department added "Introduction to Social Studies" to its curriculum last September. The class, a skills development course, also serves as an introduction to the elective courses available.

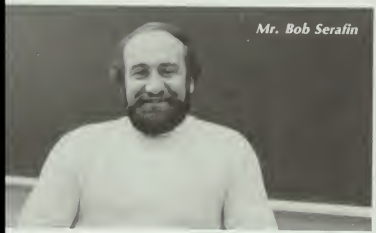

The classes required for underclassmen range from the study of maps in geography to the study of the Civil War in U.S. History. Seniors are required to take economics, which is the study of the American economic system, and government, the study of the constitution, the judicial system, and the presidency.

Science

Physical science, biology, chemistry, and physics are just a few of the vast array of classes offered by the science department.

Physical science can be used as an introduction to biology, chemistry, or physics.

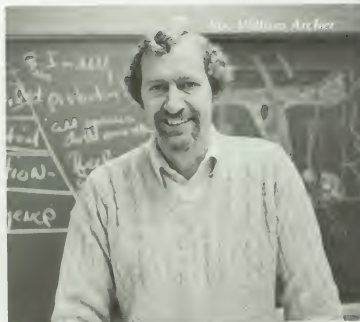

In biology, students study the structures and functions of living organisms, their interaction with the environment, and interdependence of population and individuals. Students accomplish some of this by dissecting frogs and worms.

The properties of various chemicals are studied in chemistry. One learns what chemicals combine with others to form compounds, and what happens when these chemicals combine. Identifying matter by the kinds of substances and their physical and chemical properties is also stressed in the course.

In physics, the student experiments with problems dealing with mass, matter, motion, force, energy, change and momentum. Math is a very useful tool in solving the complex physics problems. The main objective of physics is to get the student to think scientifically.

One of the main projects in zoology is the dissecting of cats and finding the various parts of the cats internal system.

In animal behavior, students study the habits of many different types of animals. The students have a chance to learn how some animals live from day to day.

Consumer Ed.

The consumer education department at Morton offers several elective classes, such as child development, foods, and clothing.

In child development, students learn about what they should do and what they should not do when raising children. They also learn about the different stages of growth a child goes through. In addition to this, students learn how to deal with the different feelings a child encounters while growing up. A child development and care program is also presented. This class offers students a chance to learn advanced information about pre-school children.

Students develop a broad understanding of health care throughout the life cycle in family health. In addition to this, the student learns how to recognize the symptoms of illnesses, about diseases, and life-saving first-aid skills.

In family relations, students learn about the responsibilities that come with dating, marriage, and raising a family.

Housing is a class in which students learn about decorating and furnishing a house.

Special Ed.

The purpose of the special education department is to provide special instruction on a one-to-one basis for those students who need individualized training.

The special education teachers work with those students in reading, math, spelling, language, and social studies. The teachers also work with the regular teachers to help the students reach their educational potential. Together they develop and plan accordingly to the students individual educational needs.

Students with learning difficulties are tested to determine what areas they need special instruction. Once this is determined, the student is either placed in all special education courses or just in the special education course that he needs. Even if the student takes all of the special education courses, he takes the elective courses of his choice.

Industrial Arts

Only boys took industrial arts classes a few years ago, but now more girls are signing up for classes such as power mechanics and mechanical drawing.

In Electronics, the students learn about the flow of electricity and currents. Students develop an understanding and knowledge of blueprint reading in mechanical drawing.

Metals offers the student a chance to learn about the machines that are involved in a metals job. In power mechanics, students learn how to fix simple engines. Students learn how to use the various woodworking machines and tools by having to plan, design, and construct a project in Woods.

Fine Arts

The Fine Arts Department offers various classes in art, instrumental music, and vocal music.

Art gives students a chance to pursue and develop their artistic ability by doing drawings with pencils, charcoal, crayons, and chalk.

After taking Art I through Art IV, one can go into a more specialized type of program such as painting, sculpting, print making, and lettering.

Some students continue their music background by joining the Marching Band. By being in the Marching Band, students get an opportunity to play during halftime at the home football games, and at home basketball games. They also represent Morton in the Hammond Christmas and Memorial Day parades.

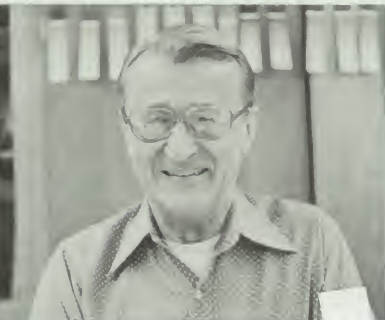

Students whose interest lies in singing usually start out in beginning or girls' choir. Concert Choir is the most advanced choir and the members gain poise and confidence by singing in public performances. Select students may qualify to become members of ensemble, which makes up singing and dancing routines and performs in front of various groups outside of school.

Physical Ed.

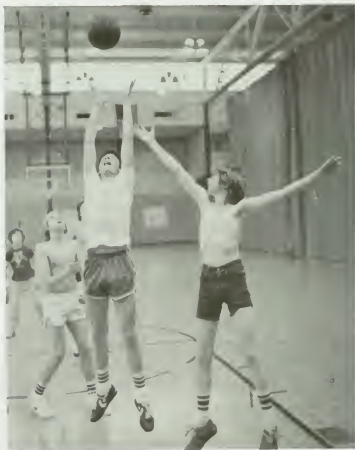

The only major change in the Physical Education Department in 1981-82 was the addition of a "Girl's Weight Room". This room has weight programs already made out for those who want them.

The equipment in the room includes jump ropes, starting weight sets, dumbbells, and three benches of which one has a leg lift.

The curriculum did not change this year, as all students were still required to take at least one year of Physical Education.

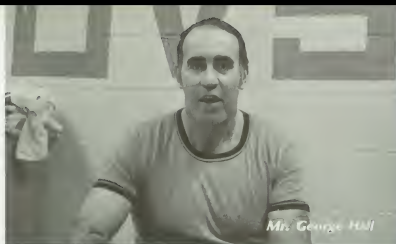

In a girls' gym class, they swim, learn gymnastics, and play badminton, tennis, volleyball, kickball, softball, and basketball. Boys' gym classes also swim and play kickball, softball, volleyball, and basketball. Students in the boys classes also play some rougher sports like soccer and football.

Advanced Physical Education is basically an extension of the regular gym class. Many of the students on the athletic teams take this class, but it is designed for anyone who is interested in keeping their body in good shape.

Players receive honors

Govs end season at 3-8

The Morton Governors 1981 varsity football team ended their year with a discouraging season of 3-8. The team's record in the conference was 3-4.

During the Hammond Football O'Rama, the Govs played to a 0-0 tie with Hammond High. Senior Cris Abasolo had a 48 yard scamper in the game. Morton then defeated Gavit 6-0 on junior Pete Gil's 66 yard punt return for a touchdown.

The first game of the season was a heartbreaking loss to Highland, 14-13. Abasolo and senior Ken Paquin chipped in for two touchdowns in the defeat. Munster beat Morton in the next game 19-7, despite the Govs' defense holding Munster to a scoreless second half. Morton shutout East Chicago Washington in the annual Homecoming game, 21-0. In the 20-3 loss to Fort Wayne Harding, the only highlight was senior John Gordish's 40-yard field goal. Gordish's foot came in handy in the next game against Clark. Gordish kicked two field goals, the last one coming with eleven seconds left on

the clock, to win the game, 13-12.

Varsity Coach George Hall remarked, "The team showed its character and pride in the come from behind win against Clark."

Another game of mention was the team's tough display against Hammond High. Morton put up a struggle, but lost, 19-7.

All-Conference awards went to seniors Mike Kielbasa for offense and defense, Marenis Kansfield for defense, and Gordish for kicking. Juniors Mark Wilson, Bob Gatlin, and Craig Davis received Honorable Mentions.

Team captains were seniors Wil Ramirez, Kielbasa, and Kansfield. Gordish was named Most Valuable Player on offense and Kielbasa was the Most Valuable on defense. Gatlin was the team's leading rusher and senior Dan Schallenkamp was the leading receiver.

Coach Hall stated, "We had a good senior group; they stuck with us all year and adapted well to the new staff and program. Progress was made in speed, attitude, and spirit."

After intercepting a pass, senior Mike Kielbasa looks for a way to gain more yardage.

During the Hammond High game, senior Bob Markovich breaks up a pass.

Senior Cris Abasolo looks for a way through Gavitt's defensive line.

Junior Bob Gatlin knocks the ball from the hands of a Senator receiver.

With great blocking by the line, senior Ken Paquin passes the ball.

3-3-1 season

J.V. gains experience

Morton's 1981 junior varsity football squad played to an overall record of 3-3-1. The teams that Morton played against consisted of Munster and six Indiana Lake Shore Conference junior varsity teams.

The Govs started off badly by losing to Munster 13-0, but then compiled three straight victories. The defense did very well as the team clobbered Gavit 22-0 and Clark 19-0. The other win came from an East Chicago Washington forfeit. However, the next three games proved to be very

tough.

The Governors lost to Bishop Noll 30-0 and then came back to play a tight game with East Chicago Roosevelt; only to lose 6-0. The last game of the season didn't end on such a bad note as Morton played Hammond High to a 6-6 tie.

Coach Bob Hunt said that some of the players that did well on the team were Mike Sobczak, center, Tom Bass,

cornerback, quarterback Tom Vrahoretis, and guards Tim Jolink and Chris Smith. Also included are Larry Nevells, offensive backfield, and Brian Elo, defense.

Coach Hunt stated, "I was fairly happy with the team considering they didn't practice together as a team. They didn't work together because they helped the varsity team during their practice."

Junior Larry Nevells tries to go around end to get a first down.

With perfect blocking, sophomore Tim Jolink gets the punt off.

During a Munster blitz, sophomore Bob Gales prepares to throw a pass.

Frosh compile 4-3 record

The 1981 freshman football team finished the year with a 4-3 record, even though the team consisted of a few ineligible players.

The Gavs opened up the season with a disappointing 24-0 loss to Lake Central. Then, things turned around for the freshmen as they won four of their next five games. Morton defeated East Chicago Washington 30-12 with the help of Bruce Chronister's 127 yards rushing. Tough defense by the Gavs in the next game shutout Clark 18-0.

After a loss to Bishop Noll, the team defeated East Chicago Roosevelt 14-12 in the last minute. Quarterback Keith Whiddon aided the team in the win by passing for 151 yards. The defense again came through in the next game to help beat Hammond High 18-2.

Fullback Shane Elms was named the team's Most Valuable Player. The Most Valuable Lineman award went to Brian Clark; and John Hess was named the Most Valuable Back. "The Best Hitter"

award went to Keith Dowling.

Coach Rick Volbrecht said, "I was happy with the kids; they worked real hard. They weren't a big team, but they were good hitters. This was a great year considering all of the ineligible players."

In a crucial conference game, the freshman football team huddles up to go over the next offensive play sent in from the sidelines.

Freshman quarterback Bruce Chronister tries to gain first down yardage against East Chicago Washington.

Salach, honorable mention

Volkman — 24th in state

"Without a doubt, the highlight of the (cross country) season was Sherry Volkman's performance in the state meet," remarked Coach William Archer. Volkman, a sophomore, placed 24th among the best girl runners in the state, earning her the recognition of being an All-State runner.

On her way to this achievement, she won the sectional race on a tough, hilly course at Crown Point, and came in seventh place in the regionals at LaPorte.

The boys cross country team, with only two returning members from the 1980 squad, ended the season with a 4-4 conference record and an overall mark of 4-5.

"The most critical dual meet of the season was against highly talented Hammond High and Bishop Noll teams," stated Coach Archer. "The meet meant the difference between a winning and losing conference record. Although we lost to Hammond High, we beat Bishop Noll by a score of 27-28, even though our number two

runner did not run."

The harriers also competed in the Highland and Lake Central Invitionals, where the team placed ninth and seventh, respectively.

In the conference race, Morton came in sixth place; while in the sectionals, the Gavs finished sixth out of ten teams, narrowly missing out on a chance to run in the regionals.

The Most Valuable Runner award was given to junior Tim Salach, while senior Tom Sandlin received the Best Mental Attitude award. Ron Catania, junior, was named the Most Improved Runner.

As the gun is fired, Morton's cross country team leaves the start line in hopes of winning the meet.

An All-Conference honorable mention runner, junior Tim Salach nears the finish of a 3.1 mile race.

Team places second Soto advances to ILSC finals

The 1981 boys tennis team ended their season with a conference record of five wins and two losses; good enough to give the Govs a second place finish in the conference. Morton was 8-6 overall.

Senior Ron Palucki was the team's number one singles player; senior Vince Soto was the number two singles player; and senior Dan Gordon was the number three singles player for the team. The number one doubles team consisted of junior Dirk Peterson and soph Dan Prljevic. Ed Jen and Tim Kulesa, sophomores, rounded out the

varsity squad as the number two doubles team.

The two key matches of the season proved to be losses to Hammond High and Bishop Noll, for if the Governors would have won these matches, they would have claimed the conference crown.

Soto was the only player to advance to the Lake Shore Conference finals. Unfortunately, Soto lost the championship match to a tough Hammond High opponent 6-1, 6-2.

In the first round of sectional play, the racketmen faced Hammond High and lost, 3-2.

Special awards were presented to Soto and Prljevic for Most Valuable Player and Most Improved Player, respectively. The Best Mental Attitude award was given to team captain Palucki.

Coach Bob Weiss remarked, "We took second place in the conference, but more important was the enjoyable times we had as a group of guys on a varsity team. Everyone got along and worked hard to improve their games. What more could a coach ask for?"

Senior Vince Soto practices his forehand before taking on his opponent in a crucial match.

Using his backhand, senior Dan Gordon hopes to return the ball to his opponent.

Governors win sectionals

The girl's varsity volleyball team put together another great year by compiling an overall record of 28-4 and winning the conference with an 8-0 finish.

The turning points of the season were beating Merrillville in two straight games, coming from behind to defeat Highland, and playing in the T.F. South Invitational, which contained four very good teams.

The Lady Governors, for the fourth time in five years, won their sectional. Morton won

this year by defeating East Chicago Washington, Gavit and Hammond High.

Morton then traveled to Valparaiso the following Saturday to participate in the regionals against a very tough La Porte Slicer team. La Porte won the first game 15-9, but the Lady Gavs surged back and took the second game 15-9. However, the Gavs lost a heartbreaker, 15-9, in the third and final game of the match.

The team competed in the T.F. South Invitational, where they recorded wins over Rich

East and T.F. South. The girls lost in the championship game to Andrew. Morton also played in the Portage Tourney, where they had a 4-1 record in the tourney. The Lady Gavs defeated Portage, Gavit, and McCutcheon twice. Their only loss came at the hands of Andean.

All-Conference honors went to senior Sue Vermejan, and juniors Shirley Starkey and Carrie Reid. Junior Kelly Hladek received an Honorable Mention.

Coach Aletta Hicks stated, "The year was a great success because we accomplished the goals that we set before the season. We beat some really good teams."

Junior Carrie Reid gets ready to hit the ball over the net during conference play at Morton.

Throwing the ball into the air, junior Kelly Hladek prepares to serve to the opposing team.

Junior Shirley Starkey jumps high as she "spikes" the ball with authority.

25-5 overall, 6-2 in ILSC

J.V. captures two tournaments

Morton's 1981-82 J.V. volleyball team finished the season with an impressive record of 25-5 overall and with a 6-2 mark in the conference.

The Lady Gavs started the season off by winning 14 of their first 15 games. Some of these wins were accomplished in the Freshman Tournament. The girls won the tournament by defeating Clark, Hammond High, Gavit, and Whiting. Morton also captured the J.V. Tourney crown by beating Clark, Gavit, and Whiting.

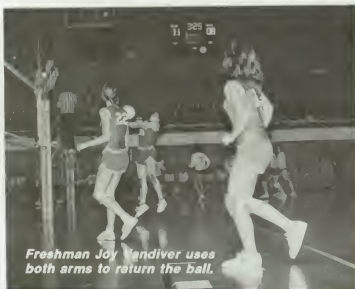

Standout players on the team were sophomores Ami Sherer and Sue Gonzalez. Coach Miriam Costanza predicts that both girls should see varsity action next season.

"Along with winning two tournaments, this was a successful season. The girls progressed very well in their skills," commented Coach Costanza.

Using good technique, freshman Patty Farmer serves the ball.

Freshman Joy Vandiver uses both arms to return the ball.

Freshman Nancy Minch jumps to one hand the ball over the net.

J.V. finish up season at 11-4

The girls J.V. basketball team ended their season with a record of 11-4. The girls finished second in the conference with a 7-1 mark.

The Lady Govs slaughtered Griffith in the opening game, 42-15. From there, the Govs won four of their next five games. One of these wins came against Merrillville. "A year ago, Merrillville beat us by 28 points," stated Coach Pamm Dorsey, "so this game turned out to be sweet revenge for us."

During the J.V. Tournament, Morton defeated East Chicago Washington in the first round, 30-28, but lost in the second

round to Gavit by a score of 29-18.

Sophomore Sue Gonzalez and freshman Kelly Stevens, who were both moved up to the varsity team, were two of the outstanding members of the team. Other key players were freshman Joy Vandiver and sophomores Sandy Bonomo, Tammy Hayes, and Linda Hulsey.

"The girls had a great mental attitude and showed much enthusiasm. They challenged their opponents. The girls were talented and were very nice kids," remarked Coach Dorsey.

Freshman Doreen Bednar decides to take a shot during a game.

Sophomore Sandy Bonomo tries to get free to receive a pass from freshman Pam Wojcik.

Spudic leads team

Lady Gavs place 2nd in sectional play

Ending at a 6-12 record, the basketball team was part of some close and heartbreaking games during the course of the season. However one must take in consideration some factors that were involved.

Injuries hurt the Lady Gavs early in the season. Junior Chris Spudic missed five games and junior Shirley Starkey was injured during the sixth game of the season, which made her bow out for the season. Junior Carrie Reid also missed a few games.

The turning point of the season was the loss to Bishop Noll during the Portage Tourney. Coach Williams found her starting five during that game. Throughout the year the Gavs usually only lost by five points or less.

All-Conference honors were awarded to senior Sue Vermejan and Spudic.

Vermejan averaged 2.2 steals per game. Reid averaged seven rebounds per game.

The Lady Gavs finished second in the sectionals at Morton. Morton defeated Gavit and then took on Bishop Noll. The game was the third meeting against Noll and the result remained the same as the two previous games. The Lady Gavs lost by one point in the final second of play. Three defeats to Noll were by a total of five points.

"The girls played 100 percent that night and didn't really do anything that was bad," stated Coach Williams about the sectionals.

The injuries gave the young people chance for playing time. The girls tried 100 percent and received learning experience in the process," said Williams.

Freshman Kelly Stevens battles for a rebound against Gavit.

With her eyes on the basket, junior Sue Zawadzki prepares to shoot a free throw.

Sophomore Ami Sherer decides on whether to pass the ball to a teammate or to shoot.

Senior Sue Vermejan successfully breaks up the full court pressure applied by a Gavitt player.

Scrambling after a loose ball, junior Shirley Starkey tries to keep it from going out of bounds.

Junior Chris Spudic controls the jump ball as she tips the ball to teammate Sue Zawadzki.

Govs place second in tourney

Close games for varsity team

Mortons 1981-82 varsity basketball team contained many returning, experienced players. The squad finished with a record of 8-12, 3-5 in conference play.

The team started off well by winning three of their first four games. These victories were over Highland, Griffith, and Hobart. However, unfortunate losses started to occur. During the Hammond Holiday Tourney, Morton made a great comeback to tie Hammond High only to lose in the last minute. The Govs revenge the Wildcats later by winning a two point game. Morton also had an eleven point lead on East Chicago Washington in the second half, but lost. Later, Morton lost to Clark in overtime.

Senior co-captain Tony Vermejan was awarded All-Conference first time, as senior co-captain, Ron Palucki and junior Austin Barrett received Honorable Mention. Vermejan was Morton's Most Valuable Player.

The Governors lost in the second round of the sectionals to Hammond High. Morton defeated Andean to reach the second round. Coach Russ Marcinek said, "We played well against Andean but then hit a dry spot against Hammond High."

"This was a respectable season. We played most teams on our schedule right up to the end," commented Coach Marcinek.

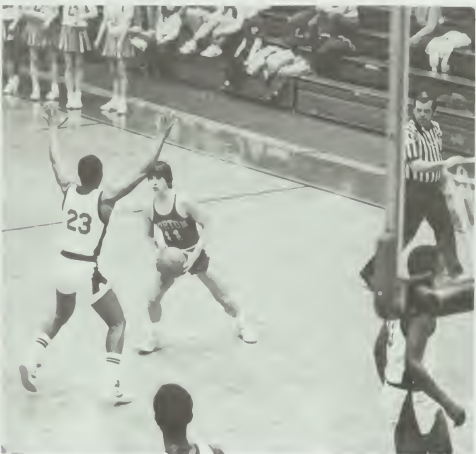

Dribbling to the outside, senior Ron Palucki looks for a way to pass to his teammate inside.

Senior Phil Stanny goes up against three Hobart opponents to grab the rebound.

Junior Austin Barrett finds out that gaining good position results in a rebound.

Using his jumping ability, senior Tony Vermejan blocks a shot during the E.C. Washington game.

Hoping to build onto Morton's score, senior Scott Lelito shoots a free throw.

Senior Mark Teran looks for a teammate to pass to against the Senators.

Conference record ends, 3-5

J.V. team finishes year at 7-11

Although the 1981-82 boys junior varsity basketball team lost its two leading scorers, one to ineligibility and one to varsity competition, the squad finished the season with an overall record of 7-11 and a mark of 3-5 in conference play.

Without the top scorers, the team had to rely on other players to pick up the slack. Sophomores Todd Lush and

Jim Balczo, both good rebounders, averaged 10.9 and 8.6 points per game, respectively, to aid the team. Sophomore Manny Lopez also helped to aid the Governors' cause.

After losing the first three games of the year, the Gobs came back to win three of their next four games. These wins came against Hobart, 55-36, Crown Point, 58-50, and

Whiting, 53-42. The team also had some impressive victories over East Chicago Roosevelt, 50-38, and Lew Wallace, 43-42.

In the first round of the Indiana Lake Shore Conference Junior Varsity Tournament, the Governors were eliminated by the Bishop Noll Warriors.

Coach Jancich yells out to his players on what play to use next.

Sophomore Jim Balczo banks his shot off the board for a score.

Vlado Petkovich leads team

Freshmen close season at 8-11

Losing four players to ineligibility and center Mike Revere to the junior varsity, and later, the varsity squad, the 1981-82 freshmen basketball team still managed an 8-11 overall record.

Morton finished up at 2-5 in the conference.

During the season, the team rolled up a five-game winning streak by defeating T.F. North in a game that was decided in overtime. Morton won, 55-47. The other victories during this spurt came against Andrean, Hobart, Griffith, and Calumet. The team also won the last two games

of the season by beating Gavitt and Whiting.

The freshmen "B" squad finished with a mark of four wins and six losses. Their wins were over Lowell, Highland, Bishop Noll, and Griffith.

In the Conference Tournament, Morton lost to Clark in the first round by a score of 45-43. The highlight of the game was a 27 point scoring effort by Andy Hladek.

Hladek and teammate Vlado Petkovich were considered standout players by Coach Rick Volbrecht.

Freshman Andy Hladek battles with a Gavitt player as he fights for a rebound during the Gavitt game. Morton defeated Gavitt by one point, 44-43.

Freshman Vlado Petkovich uses his jumping ability to shoot over his Gavitt opponents in hopes of scoring a basket for the Governors.

R. Travis compiles 17-1 record

Four wrestlers qualify for state

Morton's 1981-82 wrestling team, with an overall record of 5-6, 4-4 in the conference, won their first sectional championship in Morton history. The Gavs accomplished this by surprising favored Bishop Noll 168-157½. Seniors Roger Travis, 17-1, Ken Paquin, 16-4, Cleveland Travis, 13-4, Jim Adkins, 9-6, and junior Todd Marlatt all recorded first place victories. Second place victories went to juniors Greg Ashby and Jim Walker, sophomore Tim

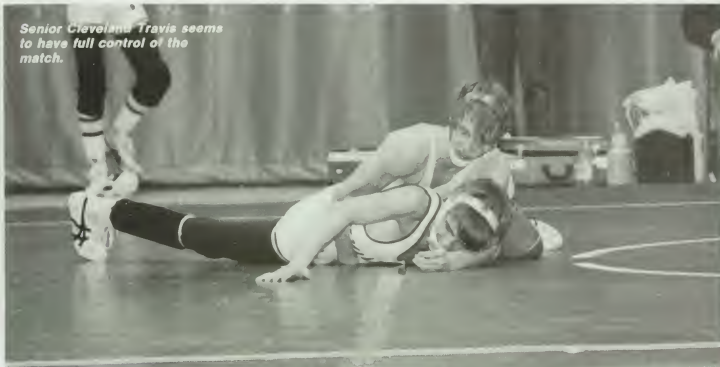

Jolink and John Michelin.

During regional competition, the Travis brothers Adkins, and Paquin all placed second to earn spots in the semi-state competition.

Roger Travis was named the team's Most Valuable Player. Co-Captains of the team were seniors Cleveland Travis and Ken Paquin.

Coach Kepler stated, "I was happy with the team. There was 100 percent improvement."

Senior Cleveland Travis seems to have full control of the match.

Sophomore Tim Jolink tries to get his opponent in a good hold.

Price Wins Diving Championship

Despite its small membership, the boys swimming team finished its season with a winning record of 9-5, set several new school records, and was represented in state competition.

The team also placed second overall, behind Bishop Noll, at the Indiana Lake Shore Conference meet on February 6, 1982 at Hammond High School.

Senior Diver Darla Price

earned her way to the Girls' State Swimming meet on November 21 at Ball State by placing 13th overall at state. At the conference meet, Price placed first and retained her conference championship for the second year in a row.

Junior Chris Kansfield set three new freestyle records this past year in the 50 yd. freestyle with a time of 22.43; 100 yd. freestyle with a time of 49.56; and 200 yd. freestyle with a time of 1:50. 70.

Senior David Rycerz set a new 100 yd. breaststroke record of 1:04.37, and junior Tony Owen set a new backstroke record of 59.23.

The 400 yd freestyle relay team of junior Paul Taylor, David Rycerz, Owen and Kansfield set a new record of 59.23.

Sophomore Rick Waywood set two new sophomore records in the 200 yd. freestyle with a time of 1:52.67 and the 500 yd. freestyle with a time of 5:13.20

Senior Sharon Jadrnak waits patiently for her signal to dive.

Determined to win the race, senior Dave Rycerz dives out as far as he can to get a good start.

Conference champs

Governors nab sectionals

Classifying the 1981 Morton baseball season as being fantastic would be an understatement. The Governors won their conference, the East Chicago sectionals, and advanced as far as to the finals in the regionals. The team finished with an overall record of 23-8, including a conference record of 13-3 and a post season record of 3-1.

Head baseball coach Jack Georgas said the high points of the regular season were the back to back wins over Bishop Noll — 2-1 and 7-1, defeating Clark 19-0 and 9-1, and shutting out Hammond High 10-0.

Junior John Reis, the team's most valuable player, pitched a no-hitter in the 19-0 romp over Clark. In the next game, Morton handled Hammond High 10-0, when sophomore Tom Corak, who later became the most valuable pitcher in the Lake Shore Conference,

Junior Dan Gordon saves a high throw as sophomore catcher Mike Brimer backs up the play.

threw a no-hitter. This was the first time in Morton's history that the Governor's posted back to back no-hitters.

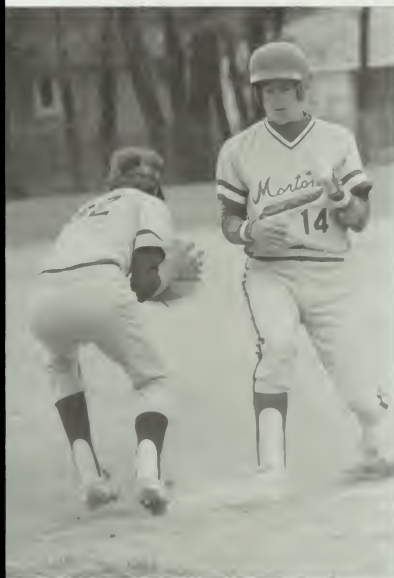

Sophomore Mike Brimer carried the highest batting average of the team with .520. Other leaders of the team such as juniors Tony Vermejan and Tom Gatlin hit .360 and .340 respectively. Team captain Dennis Zarembo hit .290.

Jeff Madison, who held a steady third base job for the year, was unfortunately injured before sectional play. Madison led the team in home runs with five.

All-Conference honors went to juniors Tom Gatlin, John Reis, and Tony Vermejan, and sophomores Tom Corak and Mike Brimer.

Coach Georgas commented, "This was a tremendous season with winning the conference and sectionals. Fine pitching from Reis and Corak helped. Success depends on how tough the competition is. They were a good bunch of kids."

Junior Tony Vermejan just beats the pitcher's pickoff throw to first base.

With hopes of getting on base, junior Tom Gatlin awaits the pitch.

Sophomore catcher Mike Brimer and senior captain Dennis Zarembo prepare for a big conference game.

Govs set records

Two advance to regionals

Highlighting the 1981 Morton boys track season was the qualifying of two team members to regionals; junior Terry Clark in the long jump and senior Chris Polochak in the long jump and the 110-meter high hurdles. Polochak became the first person in Morton's history to qualify in two events for regionals.

The trackmen finished the year with a 5-3 record in the conference and an overall record of 5-6. The team also competed in other meets; such as the Indoor and Outdoor Indiana Lake Shore Conference meets, in which the Govs placed fourth and tied for third, respectively. In addition, the team came in third place in the Morton Relays, second in the Lake Central Relays, and ninth in the sectionals.

During the season, several records were set. Junior John Parker established a new record in the 100-meter dash with a time of 10.9 seconds. Polochak brought down the time in the 110-meter high hurdles to 14.7 seconds and Darrel Jones, a sophomore, set the junior varsity record in the 110-meter high hurdles at 15.7 seconds. The 400-meter relay team of Clark, Parker, junior Ron Palucki, and senior Tony Maddox broke the existing school record with a time of 45 seconds flat.

Freshman Curtis Anderson and sophomore Tim Salach pull away from the pack as they near the finish line.

Determined to make the jump, junior Ron Palucki approaches the bar.

Conference, 6-1 mark

Price, Starkey set new school records

The 1981 girls track team ended the season by compiling an impressive 6-1 record in the Lake Shore Conference. This record was good enough to give the lady Governors a second place finish in the conference. The team's overall record was 6-3.

On their way to a winning season, the girls took part in two important meets: the Indoor Lake Shore Conference meet and the Outdoor Lake Shore Conference meet. The lady Goves placed third in both meets. However in sectionals, the team finished in ninth place.

Juniors Nancy Magurany and Darla Price, and sophomore Shirley Starkey were the outstanding members of the team. Magurany, who excelled in many events, qualified for three events in sectionals, but was unable to participate after sustaining an injury. Price set the record in the high jump at 5'4" and advanced to regionals in the same event. Starkey established a new record in the shot put at 32' 11-1/2".

Coach Olive Wade remarked, "I was pleased with the way the girls performed throughout the season."

Sophomore Theresa Robertson leaps the hurdles as she closes in on the finish line.

Freshman Diann Frost paces herself as she begins the last lap of the race.

Trying to win the relay race, sophomore Janet Rutkowski gives her best effort.

"Singles" reach finals

Morton's 1981 girls tennis team finished with a strong 5-2 record in the conference, which gave the lady Governors a second place finish in league competition.

The two heartbreaking losses in the conference came to Bishop Noll and E.C. Washington with both scores ending up at 3-2. The non-conference record of 1-2 gave the girls a 6-4 overall record.

Georgeanne Marcinkovich, team captain, was the number one singles player. Marcinkovich won her way into the finals of the Indiana Lake

Shore Conference Tournament by beating her opponents from Hammond High and E.C. Roosevelt. Marcinkovich then lost to Annette Klobuchar of Bishop Noll 6-2, 6-1 in the finals.

Kathy Howard, the number two singles player, defeated opponents from Hammond Tech and E.C. Roosevelt to get to the finals of the tourney, but she then lost to JoAnn Ortiz of E.C. Washington 6-0, 6-1 in the finals.

Nancy Babbitt, the number three singles player, was the third lady Governor to win her

way into the finals. Babbitt won matches over opponents from Hammond Tech and Bishop Noll, but she then lost to Sara Aldel-Hadi of E.C. Roosevelt 6-7, 6-2, 7-5.

The number one doubles players, Vickie Brown and Jackie Wilson, lost in the first round of the conference tournament to opponents from E.C. Washington 6-2, 6-0.

The number two doubles players, Eileen Payonk and Patty Sweet, also lost in the first round to opponents from Bishop Noll 6-3, 6-3.

Sophomore Nancy Babbitt, number three singles player, practices her serves before a big match.

Senior Georgeanne Marcinkovich, number one singles player, tries a backhand return to her opponent.

Scartozzi leads team

Golfers claim conference

Junior Dan Roach gets in a few more practice putts before a match.

A strong swing and good form allow senior Dan Churilla to hit the ball from the sandtrap.

The Morton golf team ranked to be one of the best in the conference a year ago by posting a 14-0 mark. In non-conference play the Governors were 4-4 which gave Morton an overall record of 18-4.

Sophomore Rich Scartozzi and junior Dan Roach, who proved to be the key players of the team, averaged 42.3 and 45.7 shots per match respectively.

Winning the conference during the regular season meant beating a very good Gavit Gladiator team twice. The first match was won by the Governors 173-173 by Morton's fifth man having a better score than Gavit's fifth man. The second match between the two teams was also a close one as the Governors pulled it out, 174-175.

The Morton golf team participated in five tournaments during the season. They finished sixteenth out of 25 teams in the Rensselaer Invitational, ninth out of 10 teams in the Highland Invitational, second out of 8 teams in the Indiana Lake Shore Conference Tourney, thirteenth out of 20 teams in the Lake Hills Invitational, and the team also finished sixth in the sectionals.

Coach Fred Kepler said, "After the first six matches, the team played nice, steady golf."

Five shutouts recorded

Govs finish second in ILSC

With a twelve game schedule ahead of the 1981 Morton soccer team, the kickmen had to look forward to a long, tough season. However, when the season was over, the Govs had compiled a 5-1 record in the and a 7-4-1 overall slate. The 5-1 mark was good enough to give the team a second place finish in the conference.

In the Lake Shore Conference Tournament, the Govs knocked out Hammond High, 2-0, in the first round of play and advanced to semi-final action. There, Morton bowed out to a tough Bishop Noll team by a score of 4-3.

"Although the team played well throughout

the season, they had a few disappointing games that really affected them," stated coach John Piemental.

During the course of the season, sophomore goalie Scott Hankins and the Morton defense recorded five shutouts, while the offense scored 40 goals.

Other key players for the Governors were senior midfielders Jeff Oros and Sean Egan, and junior fullback John Gordish. Oros was named Most Valuable Player by his fellow teammates.

Coach Piemental added, "I'm glad that I was able to coach a group of such dedicated, hard working players."

Soph Mitr Vranic tries to gain control of the loose ball.

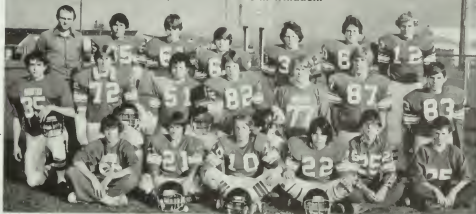

Bob Markovich, junior, breaks up the play as he steals the ball from a Gavit player.

Senior Jeff Oros, the team's Most Valuable Player, skillfully dribbles the ball around a defender.

June Brings Decisions

Senior year . . . The major crossroad in every person's life.

More is expected from a senior because in just one short year their lives will change so drastically from the carefree high school days, in which the most important decisions to be made were "Where to go on Friday night" and "Who to ask to the Inaugural," to such decisions as "Who am I" and "What am I going to do with my life".

This is the year of decision-making; decisions about the future which may affect a student for the rest of his life. With these decisions comes responsibility and leadership which is expected from every senior as an example for the rest of the school.

Seniors showed their leadership quality in the 1981-82 school year by winning the spirit stick and the best float during homecoming. Shelley Bukowski, escorted by Dan Gordon, reigned as homecoming queen.

Homecoming was not the end, but just the

beginning of many awards presented to various seniors for their outstanding scholastic ability. Nancy Magurany received the DAR award, Mary Egan and Pam Boilek were named semi-finalists in the National Merit Scholarship Competition, and Laura Buhning, Doreen Cummins, and Sharon Jadnak received honorable mentions in the National Merit Competition.

Also beginning with the class of '82, a new program was set up. The Interdisciplinary Cooperative Education Program, ICE, is sponsored by Ms. Pat Mikuta. In this program, ten seniors attend school for half a day or four classes and then are dismissed at noon to go to work at such places as Jewel's, Hoosier State Bank, and the Whiting Clinic.

With senior year hopefully comes graduation for which all seniors have strived so hard for, and although one may have made a few wrong turns along the way, seniors make the final lap into the future with their best foot forward.

UNDERCLASS

Juniors Await Final Year

As the year comes to an end, the Junior Class of 1981-82 looks down the road with anticipation and maybe just a bit of sadness. The year ahead is one of fun and good times, yet hard work and the thought of one last year together lie there too!

Senior year will bring the classes that some students fear the most — Government and Economics. Both classes are required for graduation and at times they may appear to be an insurmountable barricade between what ultimately becomes "you either pass or you don't!"

The final year will bring the achievement of goals for many. For some students, there will be Homecoming Court, Star of the football and basketball teams and Valedictorian. For other

students just the realization of finally graduating is a goal that has been worked at for many years.

The junior class can look back on the past three years of high school with a feeling of pride. The candy sales, car washes and all the hard work are behind them. The prom was on April 23 at the Wicker Park Social Center. The night was beautiful, adding to the theme of "Somewhere in Time." The next day was spent at such places as Chicago and various state parks.

Mr. Jeff Hayden, Junior Class sponsor stated, "I hope everyone enjoyed the prom and other activities as much as I enjoyed working with the Junior Class."

Sophomores Hang In State Of Limbo

When a student is a sophomore, he finds himself in a position totally different than the senior, junior or freshmen.

While a senior is looking towards college, the military and a decent paying job, the sophomore is looking ahead to U.S. History, Government and Economics. When the junior is beginning to see a brighter light at the end of the tunnel and the feeling of being "The King of the Hill" increases, the sophomore can only see two long years of high school left. As the freshman tries to adjust to high school life and its complications, the sophomore exists in a state of limbo. Meeting graduation requirements is always on one's mind although graduation seems light years away.

Being a sophomore at first can be rough, but as the year progresses, one will realize that the hopelessness was unjustified and a faint light is beginning to appear at the end of the tunnel.

New Beginnings For Freshmen Class

Freshmen year, except possibly Senior year, is the one year of school, grade school as well as high school, that a student would rather not experience. Although he/she wants to graduate, the fear of a new school, new teachers and new classmates is a real one.

The first day of class in high school means finding the right classrooms, the cafeteria, the counselor's office, and the right washrooms.

In time, the student finds out that many classes may be titled as junior high classes were, but the work is much more difficult. The teacher's interaction with the students is different simply because it is highschool and not junior high.

For the first time in a student's life, he/she must compete academically and physically with students who may be as much as three years older.

When the student makes the adjustments to highschool, the fear that was felt on the first day of school is no longer in existence. However, for some that does not come till the beginning of that student's Sophomore year or even later.

Take a Good, Hard Look at Tomorrow,

Today!

Because tomorrow is just around the corner, and your future will depend a lot on the decisions you make today

Your career goal is probably the single most important decision you'll make, so consider it carefully. Consider your interests and skills, and then consider working for a company that will allow you the opportunity to develop and use them effectively.

At Inland Steel we like to bring out the best in people. We do it through training programs, and by offering growth potential. We need solid employees on the production lines, in the craft apprenticeships, in our laboratories, and in the offices.

We've built a strong reputation as a first-rate steel-maker, and we built it with the help of our employees. But we don't rest on past laurels. Like you, we're looking at tomorrow.

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The second part of the paper describes the methodology used in the study, including the data collection and analysis techniques. The third part of the paper presents the results of the study, and the fourth part discusses the implications of the findings. The paper concludes with a summary of the main findings and a list of references.

The research was conducted in a systematic and rigorous manner, following the principles of good research practice. The data was collected from a large and diverse sample of participants, and the analysis was conducted using a range of statistical techniques. The results of the study are presented in a clear and concise manner, and the implications of the findings are discussed in detail. The paper is a valuable contribution to the field of research, and it provides a wealth of information for researchers and practitioners alike.

The study was funded by the National Science Foundation, and the authors would like to thank the reviewers for their helpful comments and suggestions. The authors also would like to thank the participants who took part in the study, without whom the research would not have been possible.
